

In collaboration with:

Clinical & Translational Science Institute
of Southeast Wisconsin

General Baptist
State Convention of WI, Inc.

You are invited to a virtual presentation by an expert in mental health followed by a conversation with community members.

VIRTUAL SCIENCE CAFÉ

TUESDAY, May 18, 2021

@ 6:00 – 7:30 PM

Managing Mental Health During the COVID-19 Pandemic

Discussion led by

Donald R. Vereen, Jr., M.D., M.P.H.

**Community Engagement, Michigan Institute for
Clinical and Health Research,
Senior Academic/Research Program Officer,
University of Michigan School of Public Health**

**Be part of an online
discussion on how to
manage your mental
health during the
COVID-19 pandemic**

**Learn about research
findings and how they
relate to your health**

**Find answers to
questions you've
always wanted to ask**
